

Operational Pitfalls, A discussion about emergencies and accidents.

This month's guest speaker is Rock Rockcastle. Rock holds an ATP certificate in single and multi-engine aircraft and is a CFII-MEI. For the past 17 years he has worked for Simcom Training Center in Orlando where he teaches in the Beechcraft Barons, Twin Cessnas and Piper Navajos. He also has a type rating in the Cessna Citation. Rich Burns holds an ATP, CFI/CFII and is a retired FAA Inspector who has accident investigation experience.

Directions: The meeting will be held in the Leesburg Airport Administration building is across the street from Sunair Aviation.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
